SUBJECT : Contract No. BC-450

Gentlemen:

Amendment No. 13 to Contract No. BC-450 stipulates the final amount for fiscal year 1957 and allotted amounts for fiscal years 1958 and 1959 which are based on your final claims.

This letter is to advise that a cost and property audit has been completed. Based on this audit we are considering the amounts stipulated in Amendment No. 13 as final. Also, all property acquired under the contract or submitted for repair during the period 1 July 1956 through 30 June 1959 has been properly accounted for.

It is not felt that an amendment to the contract is necessary but that this letter will serve to show final completion of the records of your office as well as those of this office.

Very truly yours,
